

2021 Mountain Aire Luxury Motor Coach

NEWMAR

NEWMAR

A Recipe for Luxury

The luxurious 2021 Mountain Aire continues to improve to elevate your every experience. Starting with Comfort Drive™ steering to make navigating the roads easier, Mobileye® lane departure tracking now also comes standard.

Tire-pressure monitoring, electronic stability control, and OnGuard™ collision mitigation technology with adaptive cruise control are all watching out for your safety. Add the gorgeous full-paint Masterpiece™ finish, and you'll see why the Mountain Aire is a premier host.

A Feast for the Eyes 2021 Mountain Aire

The 2021 Mountain Aire is bigger and better. The coach is now built exclusively on the Spartan® K3 Tag Axle chassis—boasting 500 horsepower and 1,695 lb./ft. of torque for easy uphill driving and towing. Beyond that, our former 40' models are now 41', allowing for larger rear bathrooms and showers. And with seven floor plans, three of which are new for 2021, you'll find an option that's right for you, whether you're hosting guests or enjoying it all to yourself.

Ibis full-paint Masterpiece™ finish

For Entertaining, or Just Enjoying

Whether you're hosting guests or enjoying a quiet movie night, the Mountain Aire has all of the luxurious appointments you expect from Newmar. A retractable Samsung® 50" 4K LED TV, paired with a Bose® 700 soundbar and 500 series subwoofer, lets you play the game loud and clear, or enjoy music throughout the coach. Available reclining theater seats make relaxing easy—with a host of other seating options as well. The tile floor offers radiant electric heat for cool nights, while three 15M Penguin™ heat pump central air conditioners and wall-mounted sensors keep things cool when temperatures swing the other way. Plus, living room and dinette windows have been enlarged on specific floor plans to let in more natural light.

*Floor plan 4543 with Ibis décor and
Sable Maple high-gloss cabinetry*

Turn off lights, lower shades, raise the TV, and turn on accent lights with our new Theater Mode functionality.

Getting There is Getting Better

The captain's and passenger's seats in the Mountain Aire are made for comfortable travel. Both heated and upholstered in Ultraleather[®], they're also both appointed with amenities. The captain's chair features dual 10" monitors equipped with Rand McNally navigation, with an option for a passenger side navigation monitor as well. Haptic feedback has been added to help the driver stay aware of surroundings—and that's in addition to the 360-degree camera system with predictive grid lines and tri-view rear camera. The passenger gets a queen-size seat with workstation and footrest.

Blending Form and Function

The galley in the Mountain Aire serves up the classic kitchen appointments of home with the beauty of a Newmar. Appliances include a Whirlpool® refrigerator, a 30" convection microwave, and a two-burner cooktop. Add an optional dishwasher, or a kitchen window to allow more light to stream in. Handmade maple cabinetry surrounds the super-polished solid surface countertops—and features raised-panel doors with soft-close hinges. And to ensure you've got everything you need, whether you're cooking for two or entertaining a crowd, a large pantry includes pull-out shelves for easy access.

A Space for Solitude

At the end of the day, there's no better place to go for rest than the master suite of the Mountain Aire. Rear and mid-coach bedroom floor plans are available to best suit your needs. Regardless, you'll find a dresser with six large drawers and super-polished countertops and two wardrobes. For late-night entertainment, a Samsung® LED TV and Sony® Blu-ray player—plus you'll find a touchscreen control panel to oversee many of the coach's functionalities. A king-size bed comes with a plush pillow top mattress, or you can upgrade to a Sleep Number® adjustable mattress.

A Moment of Calm

A variety of master bath options abound in the Mountain Aire. By lengthening our former 40' models to 41', we've been able to add more space to our rear bathrooms. In these shorter models, you'll find a residential-sized 40" x 32" shower—and in some 45' models it's a spacious 50" x 34"—all with tiled walls and glass doors. Inside the showers are a fold-down seat and three-pump soap dispensers. An Aqua Miser® shower system keeps your warm water flowing. Additionally, an optional laundry station offers a stacked washer and dryer, plus a cedar-paneled wardrobe offers you space for your nicest clothes. The mid-ship half-bath available on most floor plans offers the same ease and comfort to guests.

Spacious Inside and Out

The Mountain Aire makes enjoying a meal—or just relaxing—in the great outdoors even nicer. Girard® Nova side awnings offer a reprieve from the sun on warm days, and a Dometic® freezer with a pull-out tray can keep everyone stocked on cool drinks. Host family and friends for an outdoor get-together with the optional outdoor entertainment package. With so much storage, you can bring along any gear you need: a lighted exterior baggage compartment, plus an optional power pass-through storage tray, offer easy access. Power baggage door locks and keyless entry door with a touch pad and doorbell offer security when you're inside. And it's all powered by a 12.5 kW Cummins Onan® diesel generator.

Lengths, heights, widths, and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil, and coolants. Does not include cargo, fresh water, propane gas, or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

Specifications supplied by the chassis manufacturer.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

Ask your Newmar dealer for more details.

Our Partners

Newmar Quality Begins with the Company We Keep

You deserve class-leading performance from names you can trust. That's why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

Driven By You

FREIGHTLINER CUSTOM CHASSIS

Freightliner Custom Chassis Corp. (FCCC) is renowned for delivering the industry's best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling, and developing high-performance innovations such as DRIVETECH. It's the only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

SPARTAN RV CHASSIS

Designs, engineers, and assembles by hand each Spartan chassis for the best ride and handling in the industry. Spartan's leading safety ratings and ongoing investment in R&D give Spartan chassis owners superior performance and higher coach resale values. Spartan is American owned and has earned the trust of discerning RV owners based on its premium products and award-winning customer service.

We create chemistry

BASF

A world full of colors! The Coatings Division of BASF develops, produces and markets a high-quality range of innovative and sustainable automotive OEM coatings and automotive refinishes.

INDUSTRIAL FINISHES

Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true "Masterpiece" finish.

RIVERPARK

RiverPark proudly represents the leading brands in consumer electronics—brands you know and trust to provide exceptional quality and innovative technology. Newmar features Samsung's incredible 4K TVs with Bose soundbars, Xite Infotainment systems featuring Rand McNally Navigation and JBL and Infinity premium audio. Step into a 2021 Newmar and experience dazzling audio and video performance throughout!

Our People Take It Personally

Since Newmar was founded in 1968, our goal has been to build a better RV.

We have always believed that traveling shouldn't mean leaving behind the comforts you enjoy, so our coaches are crafted to be residential-quality homes—complete with handmade cabinetry and designer décors.

Every Newmar is built by hand, one at a time, by men and women who have dedicated years to creating superior-quality coaches that surpass their mass-produced competition.

We don't want to simply ask you to trust us when we talk about the Newmar difference. We want to prove it, every single time you hit the road. Because we take pride in the responsibility of designing, engineering, and constructing your motorhome.

And we know you'll be proud driving one on the way to your next destination.

When You Know the Difference.
