

2021 DIESEL MOTOR COACH

VENTANA

Catch of a Lifetime

The Ventana keeps getting better. With thirteen floor plans, available on an optional Spartan® chassis or a Freightliner® chassis for all model lengths, there's definitely a layout for you. Comfort Drive™ steering comes standard for smooth handling. The industry-exclusive full-paint Masterpiece™ finish always stands out. It's the perfect coach to come home to after a day on a secluded brook—or anywhere else your travels take you.

A Leader in Luxury 2021 Ventana

The 2021 Ventana puts safety first with convex exterior mirrors to clearly see your surroundings—and also features a remote control, turn signal indicators, and defrost. An integrated Girard® power side awning and Carefree entrance door awning keep things cool outside. Models come in 34', 37', 40', and 43', all complete with a wide variety of floor plans including rear master and two-bedroom options.

Belmont full-paint Masterpiece™ finish

Float with Confidence

The safety continues into the cockpit. The digital instrument panel keeps you informed, and side-view cameras come standard. Optional upgrades include a Rand McNally navigation system, in-coach Wi-Fi, and universal toll module. For comfort and entertainment, the Ventana captain's chairs offer six-way power with lumbar support and a footrest and a workstation in the passenger seat. A JBL sound system with a subwoofer is ready to surround you with music or your favorite podcast.

Wade into the Journey

The cabin of the 2021 Ventana is made to make the journey easy. Entertainment options abound with a retractable Samsung® LED 4K TV, two Blu-ray players, and a Bose® Solo 5 soundbar. Penguin™ heat pump air conditioners keep things comfortable with assistance from wall-mounted sensors. With flexibility always at the forefront, the Ventana offers several furniture configurations, including one or more recliners, sofa with hide-a-bed, and theater seating.

Fine Dining

There's no better way to cook your catch—or any other meal—than in the well-appointed Ventana kitchen. From the stainless steel refrigerator and stainless steel microwave, to the Suburban Elite Series 3 gas cooktop, the standard is already elevated. Optional upgrades push the boundaries even more, including a Whirlpool® refrigerator, dishwasher, and flush-mount induction cooktop. A spacious pull-out pantry also keeps your kitchen staples tucked away safely and organized.

Drift Off to Sleep

The 2021 Ventana offers a variety of bedroom plans. In the master suite, you can doze on a pillow top queen- or king-size mattress—with the option to upgrade to a Sleep Number® mattress. There is loads of storage for all of your clothing and gear in two wardrobes and a hardwood dresser. Above that, you'll find a 43" TV and Blu-ray player. Two-bedroom floor plans include an additional bedroom with two bunk beds.

A Personal Hideaway

Several bathroom options await you, depending on the floor plan. Ranging from twin-sink vanities and showers up to a cavernous 50" x 34" option with a glass door, and fold-down seat, to more comfortable versions including a half bath, you'll find a bathroom that works for you. Plus, there's the optional two-piece stacked washer and dryer laundry center.

Accessibility Anywhere

The outdoors belongs to everyone, and at Newmar we try to make it possible for anyone to enjoy it regardless of physical ability. Floor plan 4311 offers that possibility, featuring a BraunAbility® remote-control power lift and roll-in shower. That's in addition to all of the other amenities you expect from Newmar, like the retractable Samsung® 4K LED TV and full-wall rear wardrobe.

Entertaining on the Fly

Whether it's after a long day on the water or just because, the Ventura makes entertaining outdoors easy. Several available awning packages can be upgraded to lighten the sun's load. An additional outdoor entertainment package features an LED TV and soundbar, or to go a little easier, the patio hammock package lets you lounge the afternoon away. For travel, a pass-through storage tray helps keep your gear organized and accessible—and power baggage door locks keep them safe. Speaking of safety, a keyless entry door with touch pad and doorbell make sure you're safe when you're inside. And it's all powered by an 8.0 kW Cummins Onan® diesel generator.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.
