LUXURY MOTORCOACH

## Big Luxury in a Small Package

The New Aire redefined compact luxury travel. And now, it's brand new for 2022, so we're raising the bar again. There are a number of style changes throughout the coach that set it apart, but most importantly, it offers brand new ways to take it easy and relax in style. It starts with classic Newmar innovations, like our industry-first Comfort Drive™ steering, electronic stability control, and an independent front suspension—plus OnGuard™ collision mitigation with adaptive cruise control and tire pressure monitoring, and even Mobileye lane assist with haptic feedback is now standard.

## Think Big

While small in stature, the 2022 New Aire is brimming with luxurious appointments both inside and out. Available in three 35' floor plans on a Freightliner® chassis or an optional Spartan® chassis, they all feature a 450-horsepower Cummins® diesel engine. These floor plans provide plenty of options inside to help make the New Aire completely yours. There's also a newly designed front and rear cap to really set it apart.

## The Going is Good

The cockpit of the 2022 New Aire is completely redesigned and features both style and functionality changes. New captain's chairs are by Williamsburg, and the standard passenger seat comes as wide as the driver's seat—though you can upgrade to an even wider option if you prefer. Both are six-way power-adjustable and heated. The new dash includes dual 10" Xite monitors which includes a Nav-N-Go navigation system. Nav-N-Go uses your coach's dimensions to calculate the best route for your travels. JBL speakers provide crisp sound for your favorite driving music, and two wireless charging mats keep your phone battery full.

## Boundless Luxury

It may be compact, but the living area inside the New Aire is impressively spacious. Style details include newly designed slideout fascias and a new designer feature ceiling, and new flooring throughout the coach. The sofa, ottomans, and other furniture is covered in Ultraleather®. They're all perfect for enjoying the retractable 50" Samsung® TV with Bose® soundbar. In the taller slide room, the 2022 New Aire has larger windows that meet at the corners, creating a bay window that allows in lots of natural light, and lets you take in all of your surroundings uninterrupted.

## Big Meals

Make dinner for yourself or for a crowd easily in the New Aire kitchen. An all-electric stainless steel appliance suite includes a portable induction cooktop, three-door Samsung® residential refrigerator, and a new Samsung® microwave—plus an option for a dishwasher. New cabinet door styles shine, complementing the new countertop edging, while LED lighting illuminates the newly designed backsplash. The Euro booth dinette is perfect for enjoying your meal and offers more storage beneath each seat.

## Dream Big

Compact or not, every New Aire comes with a standard king-size mattress, with an available upgrade to a Sleep Number® adjustable mattress, plus new bedding designs and a new headboard. An additional Samsung® 4K TV sits across from the foot of the bed. A rear-wall wardrobe offers storage space for your clothes and includes LED strip lighting inside. You can also add an optional washer and dryer. The KIB panel allows you to control many of the RV's functions from the bedroom, including shades, and lighting—and it even includes an “all lights off” feature that turns off every light throughout the coach.

## Dive In

The mid-ship bathroom in every New Aire is all new for 2022. The roomy, spacious shower includes a new shower system including a hand wand, and features new tile, a new floor, and wall inserts—plus a fold-down seat and soap dispensers. On the vanity, there's a new glass mosaic backsplash, a new faucet, and super-polished countertops that surround the new custom sink.

## Live Big in the Great Outdoors

With newly designed front and rear end caps, a lighted Newmar badge on the front grill, and other sleek LED trim lighting on the front cap, the New Aire immediately stands out wherever it goes.

And no matter where you are, it's easy to enjoy the outdoors with options for three armless Girard power awnings, and an optional outdoor entertainment center with a Samsung® TV and Bose® soundbar. Drinks and snacks stay cool in a pull-out Dometic® freezer. And there's loads of exterior storage space which are brightly lit and come with protective cargo liners. A powerful 8.0 kW Cummins Onan® Quiet Series diesel generator comes standard to keep everything up and running.

# The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

## QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

## FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

## CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

## SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

## EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

## ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.
